Good day Parents and Players

Thank-you for your patience while waiting for follow-up information regarding the Canada Winter Games Tryouts.

1. Summer Ice Times

We have the following ice times available at the Canada Games Centre: Wednesday July 21 7:30-8:45, Wednesday July 28 7:30-8:45, Wednesday August 4th 7:30-8:45, Wednesday August 11th 7:30-8:45, Tuesday August 24th Time to be confirmed and Tuesday August 31s Time to be confirmed.

Coaches Jay Glass and Kirk Gale will be on the ice with the players for these ice times. The ice time will be run as a practice. It is for players that are in town to have ice time to maintain their development and strengthen their skills.

Players identified from the ID Camp held this spring have been invited to attend these ice times.

Fees are \$10.00 per ice time payable prior to the start of each practice or in one sum identifying the ice times you will be attending.

2. Development Camp

Players identified from the ID Camp held this spring are invited (and expected if they are in town) to attend a development camp with Danny Flynn and Joe Martin. Please note that we anticipate Joe Martin assisting with the Coaching of the Canada Winter Games Team and this is an opportunity for players who have not had the opportunity before to work with him.

The Camp is On-Ice instruction ice times as follows:

Thursday July 22, 6:15-7:30 P.M.

Friday July 23 7-45- 9:00 P.M.>

Saturday July 24 12:45-2:00 P.M. and 3:45-5:00 P.M.

Sunday 12:45-2:30 P.M.

Fee for the Development Camp is \$100.00

I will send out a registration form for the camp later this weekend however they will also be available at the Canada Games Centre at the ice on July 21st and prior to the camp on 22nd.

Fees and Forms must be completed before the players go on the ice.

If your player is not participating in the ice times or the camp please respond to this e-mail and let us know. Coaches will be interested to note if he is attending other camps, pursuing other sports or if there are simply vacation time conflicts due to the late notice.
