The Kings are proud to recognize former defenceman Reid Campbell's recent success in winning the Division III National Championship with the St.Norbert College Green Knights in De Pere, Wisconsin.

Campbell was a key component on the Kings' blueline for four years. He joined the Kings in the 2006-2007 season and grew as an individual not only on the ice, but in his role as a young leader in the community.

Head coach and General Manager Kent Lew is ecstatic to hear of Campbell's recent success. "Reid had a fabulous four years here in Powell River. He was a pleasure to coach and it's amazing to see his accomplishments. He grew into a solid defenceman at our level and we're proud to see his new team winning championships."

The following is a press release from the St.Norbert's Athletics website:

MINNEAPOLIS - Titledown can add another trophy to its case.

St. Norbert College claimed its second men's ice hockey national championship with a 4-3 win over Adrian College at the NCAA Division III Frozen Four at the University of Minnesota's Ridder Arena. The Green Knights, who also won the national crown in 2008, finished the year 25-4-1. Adrian, which carried an 18-game unbeaten streak into the game, also finished 25-4-1.

The Green Knights scored the last marker in a seven-goal sequence that had teams alternating the scoring. Senior defenseman Nick Tabisz, a three-time first team All-America selection, blasted a power-play bomb from the right circle at the 15:26 mark for what would hold up as the game-winning score. It was Tabisz's fourth goal of the five-game St. Norbert post-season.

St. Norbert's defense locked down high-flying Adrian in the third period, with both teams only getting five shots on net. The Green Knights blocked a whopping 14 shots in the game, including five in the third period, to hold the national scoring leader to no goals in the final 20 minutes.

The Green Knights scored first just 4:15 into the game when Cody Keefer's shot hit Adrian goaltender Brad Fogal in the shoulder and waffled slowly past the goal line. The Bulldogs answered at 10:49 when Sam Kuzyk finished off a passing combination.

A bonanza on the power play then fueled the Green Knights, who turned in a season-high 3-for-5 effort with the man advantage. Tabisz fired a shot from the point that went past the cage, and the rebound off the bottom of boards went straight to Johan Ryd for a power-play goal at 13:01. St. Norbert led 2-1 after one period.

Adrian knotted the game at 2-2 when Kyle Watson scored at 7:10, but the Green Knights responded with another power-play goal. Keefer caught a rebound from a Brandon Hoogenboom drive at 10:38

for his second goal of the game and his third of the Frozen Four. Kiefer finished the year with a team-high 14 goals.

The Bulldogs answered again at 14:27 when Eric Miller's backdoor shot just snuck under the crossbar. But just 59 seconds later Tabisz answered with his decisive goal.

Not to be lost in the offense was the goaltending of two-time first team All-America honoree B.J. O'Brien. O'Brien was named the Frozen Four's Most Outstanding Player for the second consecutive year after making 17 stops in the title game. Kiefer and Tabisz were also selected to the All-Tournament Team.

St. Norbert finished the year as the nation's top defensive team, allowing just 1.80 goals per game this season. The Green Knights have now led the nation in scoring defense three times in the last five years. The Green Knights, who scored just 102 goals in 30 games this season, finished the year a glittering 10-2 in one-goal games.

O'Brien finished the year leading the NCAA Division III in goals against average, save percentage and winning percentage and was tied in shutouts. Ryd led the country in game-winning goals. In addition to the team leading the country in scoring defense, it also had the top penalty-killing unit at 89.4 percent.
