Subject: In-Territory Travel Assistance

Hello,

Attached are the forms needed for parents to submit claims for the In-Territory Travel Fund. The In-Territory Travel Fund is a travel subsidy program through YTG to assist those families/players traveling into Whitehorse for hockey tryouts, training, etc. The Fund is based on a maximum 20 cents/km/vehicle. If more than one family is coming in, the 20 cents is divided amongst the families. In order to access these funds, parents have to get a Travel Claim Form from you, you keep track of attendance on the form provided and submit the Attendance Form to me each month. You or parents can submit the Travel Claim Form. I normally process claims on a monthly basis. If I don't have the Attendance Form, then I can't process claims. YTG needs to have this for their accountability.

I have attached 2 sets of claim forms – one for WMHA Mustang teams and one for CWG teams. Please submit the appropriate forms. If you or any parents have any questions, please let me know.

Thanks,

Cindy Underhill
